GOLDILUCK REBOLLIDO

503-860-4883 | Email: gorebollido@gmail.com | HILLSBORO, OR 97124 | Linkedin

WORK EXPERIENCE

Goldiluck Designs | Hillsboro, OR March 2015 - Present

Business Owner

- Alter clothing to fit individual clients and repaired defective garments
- Provide phone calls and information regarding alterations and potential appointments for bridal gowns, formal dresses, and everyday wear
- Collaborated with a Design firm for a project as a style consultant

Washington County Chamber of Commerce | Hillsboro, OR Sep 2021 – Sep 2022

Registration and Technology Manager

- Facilitated student evaluations and mock interviews
- Generated reports on Student's participation during the school year and compared the reports from the previous years to conduct surveys from the school teachers and other volunteers.
- Managed and updated WordPress pages

PROJECTS

SABLE https://github.com/goldreb/sable

- An application for crochet and knitting enthusiasts
- Collaborated with my Bootcamp peers and built the front-end side of the application using HTML, CSS, Bootstrap, Javascript and React. Integrated NPM packages and use ColorHunt for color choices. Build Sign-up and Log-in with validation and integrated token-based authentication.

EMPLOYEE-DIRECTORY https://github.com/goldreb/employeeDirectory

- An application to display a list of employees
- Build the front-end of the application using HTML, CSS, and Javascript. Integrate bootstrap library and NPM packages. Utilizes React and Axios.

MOVIE SEAT SELECTION https://github.com/goldreb/movie-seats

- An application to select movie seats and get a total cost.
- Build a movie seat selector that utilizes DOM and saves data to local storage
